

Return to King's Church Cambridge for in-person service:

Guidelines for members of the public

- June 2021 -

The count down...

Great news! King's Church Cambridge is re-opening its doors for communal worship. Our in-person services will resume from 27th June 2021 at 10:00 am and take place in our Tenison Road building - Central Cambridge.

As a result of the ongoing Covid-19 restrictions, our re-opening will take place with the required health and safety measures given by the government to help reduce the spread of the disease.

The church has implemented several new measures and processes to meet the legal requirements pertaining to places of worship and King's Church is now fully ready to welcome you back for in-person services.

Purposes

We are publishing this document to provide you with clear guidance ahead of your return to church. Where possible, we have highlighted concise steps to help you understand what is expected of you and also what you can expect from us as we restart in-person services.

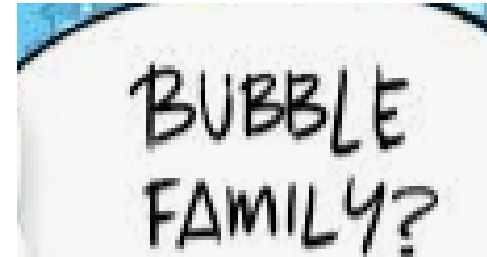

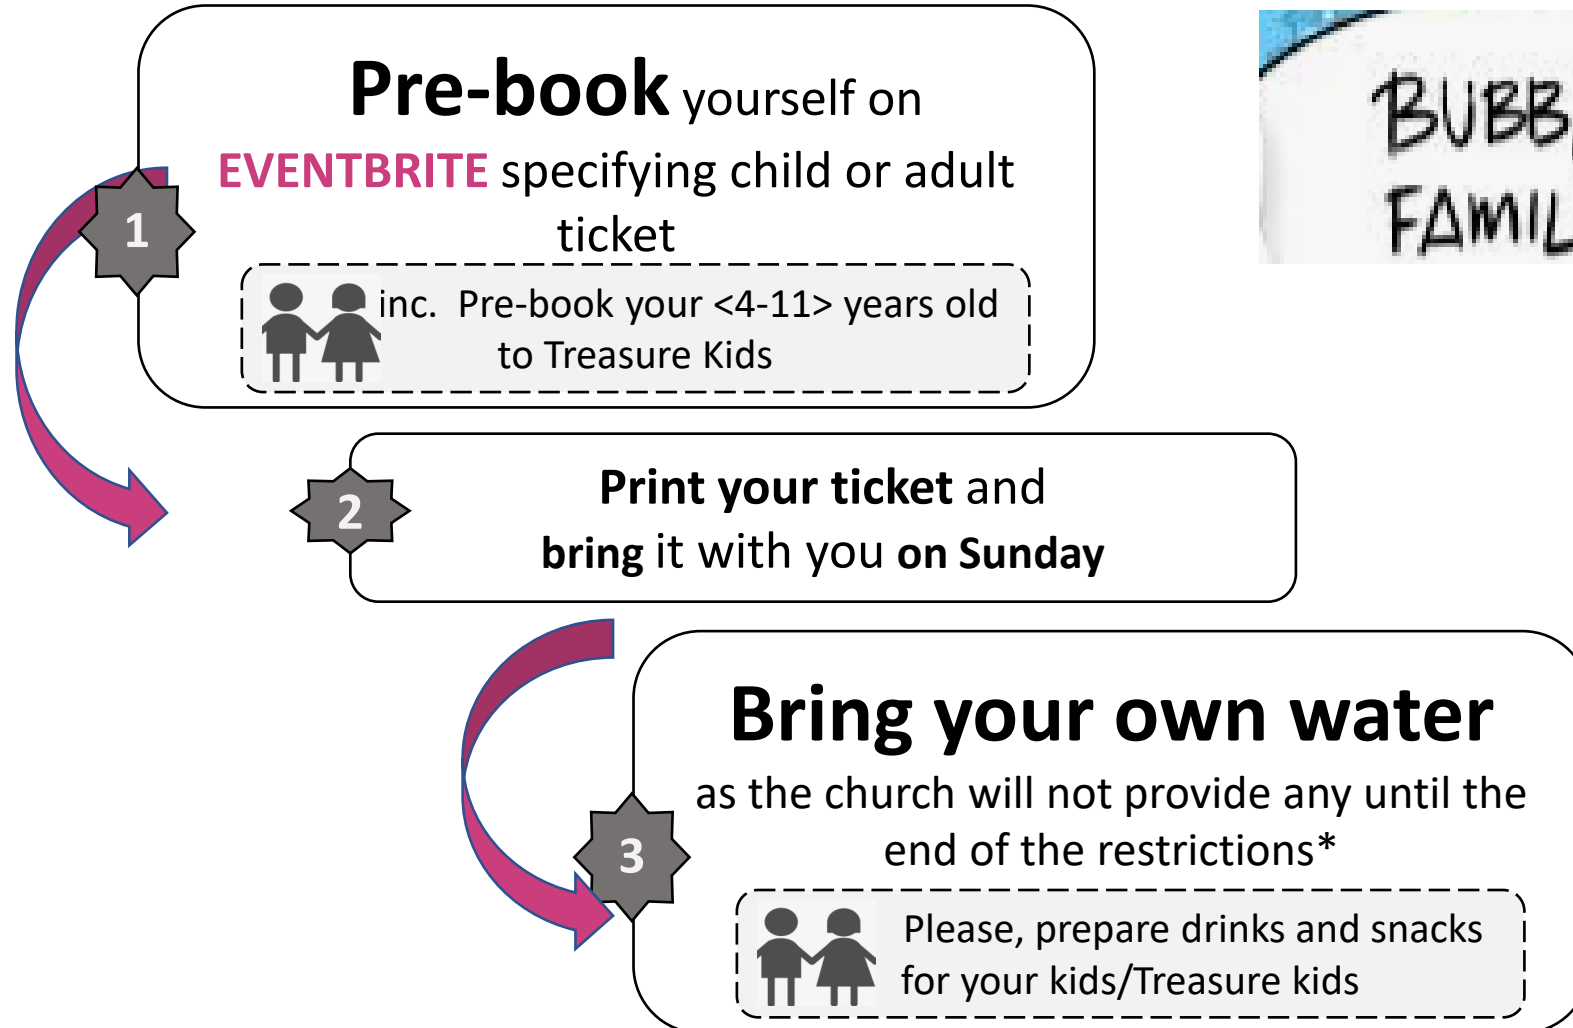

Please, bear in mind that the access to the church will now require pre-booking every week as we have a limited capacity until the restrictions are lifted up, hopefully around the 19th July 2021. or shortly thereafter.

Please, familiarise yourself with the guidance below and feel free to contact us via email if any queries (info@kingscambridge.org).

We look forward to welcoming you again in the House!
